Montana Medicaid Outpatient Procedure Fee Schedule
Outpatient Hospital Services
Effective 1/1/2012
Montana Medicaid Conversion Factor = $ 50.61

Definitions:

Description – Procedure code description. You must refer to the appropriate official CPT-4 or HCPCS coding manual for complete definitions in order to assure correct coding.

Method – Source of fee determination

APC: Based on APC assigned weight x Montana's conversion factor. Pricing is affected by modifiers as listed in the provider manual.
Procedures paid by APC method that have a zero fee are either bundled or not covered services. (See the Status Indicator)
APC/By Report: Based on APC designation as pass-through. Paid at the provider specific Medicaid cost to charge ratio for outpatient services.
Fee Sched: Medicaid fee for listed code. Codes noted as "not allowed" will cause the claim line to deny.
Medicare: Medicare-prevailing fee for listed code. Laboratory services are paid at 62% of listed fee for sole community hospitals and at 60% for others.
By Report (BR): Equals a percentage of billed charges; percentage depends on provider type and service/supply. For outpatient hospital services, providers are paid their current Medicaid cost to charge ratio for outpatient services.
Inpatient Only: These services are not payable in an outpatient setting
Not Allowed: These services are not payable
Bundled/subject to separate payment criteria: Services may be packaged in ceratin instances. These services will have a fee listed but may only be payable if specific criteria are met.

PA – Prior Authorization

Y: Prior authorization is required
Space: Prior authorization is not required

Status Indicators:

C Inpatient services that are not payable under OPPS
E Not allowed under Oupatient
G Pass through drugs and biologicals
H Pass through devices that are paid by report
K Drugs and biologicals paid by APC
M Montana Medicaid specific fee
N Services for which payment is packaged into another service or APC
Q Montana Medicaid Laboratory service
R Blood and blood products
S Significant procedures that are paid under OPPS but to which the multiple surgery reduction does not apply
T Significant services that are paid under the OPPS and to which the multiple procedure payment discount under OPPS applies
U Brachytherapy Sources
V Medical visits (including clinic or emergency department visits) that are paid under OPPS
X Ancillary services that are paid under OPPS
Y Montana Medicaid fee for Physical Therapy, Occupational Therapy or Speech and Language Therapy services
Some procedures may have a variable status dependant on if they are provided with another billable services.
These codes are listed on the fee schedule as status N (bundled) but will have an APC and price shown.

Note: This fee schedule is used by OPPS and non-OPPS facilities. Not all codes listed are appropriate for use by all facilities
