Montana Medicaid Outpatient Procedure Fee Schedule

Outpatient Hospital Services

Effective 04/01/2013

Montana Medicaid Conversion Factor = **$ 50.61**

Definitions:

Description – Procedure code description. You must refer to the appropriate official CPT-4 or HCPCS coding manual for complete definitions in order to assure correct coding.

Method – Source of fee determination

APC: Based on APC assigned weight x Montana's conversion factor. Pricing is affected by modifiers as listed in the provider manual.

Procedures paid by APC method that have a zero fee are either bundled or not covered services. (See the Status Indicator)

APC/By Report: Based on APC designation as pass-through. Paid at the provider specific Medicaid cost to charge ratio for outpatient services.

Fee Sched: Medicaid fee for listed code. Codes noted as "not allowed" will cause the claim line to deny.

Medicare: Medicare-prevailing fee for listed code. Laboratory services are paid at 62% of listed fee for sole community hospitals and at 60% for others.

By Report (BR): Equals a percentage of billed charges; percentage depends on provider type and service/supply. For outpatient hospital services, providers are paid their current Medicaid cost to charge ratio for outpatient services.

Inpatient Only: These services are not payable in an outpatient setting

Not Allowed: These services are not payable

Bundled/subject to separate payment criteria: Services may be packaged in ceratin instances. These services will have a fee listed but may only be payable if specific criteria are met.

PA – Prior Authorization

Y: Prior authorization is required

Space: Prior authorization is not required

Status Indicators:

C Inpatient services that are not payable under OPPS

E Not allowed under Oupatient

G Pass through drugs and biologicals

H Pass through devices that are paid by report

K Drugs and biologicals paid by APC

M Montana Medicaid specific fee

N Services for which payment is packaged into another service or APC

Q Montana Medicaid Laboratory service

R Blood and blood products

S Significant procedures that are paid under OPPS but to which the multiple surgery reduction does not apply

T Significant services that are paid under the OPPS and to which the multiple procedure payment discount under OPPS applies

U Brachytherapy Sources

V Medical visits (including clinic or emergency department visits) that are paid under OPPS

X Ancillary services that are paid under OPPS

Y Montana Medicaid fee for Physical Therapy, Occupational Therapy or Speech and Language Therapy services

Some procedures may have a variable status dependant on if they are provided with another billable services.

These codes are listed on the fee schedule as status N (bundled) but will have an APC and price shown.

Note: This fee schedule is used by OPPS and non-OPPS facilities. Not all codes listed are appropriate for use by all facilities
