

Proposed Medicaid Youth Mental Health Fee Schedule

~~January 1st 2018~~ March 1, 2018

I. Practitioner Services

Mental health practitioners include physicians, physician assistants, nurse practitioners, psychologists, social workers, and professional counselors. Practitioners' bill using standard Current Procedural Terminology (CPT) procedure codes and are reimbursed according to the Department's RBRVS system. Interactive psychotherapy codes are restricted to individuals 12 years of age and younger. The conversion factor for psychologists, social workers, and professional counselors in calculating reimbursement rates can be found at 37.85.

The current RBRVS fee schedule is available at <http://medicaidprovider.mt.gov/>

Youth may receive a combined total of ~~24~~ 10 sessions per state fiscal year (July 1 thru June 30), without having a Serious Emotional Disturbance (SED). Additional sessions must be medically necessary, and youth must be SED.

It is the responsibility of all providers to be familiar with the Children's Mental Health Bureau (CMHB) Medicaid Services Provider Manual, referenced in ARM 37.87.903, which includes medical necessity criteria, clinical guidelines and prior authorization information.

Children's Mental Health Medicaid services do not require co-pay.

II. Acute Inpatient Services

Acute care hospital services will be reimbursed for Medicaid beneficiaries under the Montana Medicaid program's All Patient Refined Diagnosis Related Groups (APR-DRG) reimbursement system.
