# Montana Healthcare Programs Notice

## Psychiatrists, Physicians, Mid-Level Practitioners, Pharmacies, Community Mental Health Centers, and Psychological Services Providers

---

### Update

## Removal of 15-day Supply Limit on Initial Atypical Antipsychotic Prescriptions

The Department has eliminated the requirement for an initial 15-day supply for the Atypical Antipsychotic Therapeutic Class. For this Class the prescriber may order any appropriate quantity up to a 34 day supply.

All other prior authorization criteria and dose optimization rules remain in effect.
