Changes to Rule 37.86.3503 Case Management Service for Adults with Severe Disabling Mental Illness, Severe Disabling Mental Illness

The change to rule 37.86.3503: (1) "Severe disabling mental illness" means with respect to a person who is 18 or more years of age that the person meets the requirements of (1), (a), or (b), and (c) has been reconsidered based on information received.

The change will not be enforced and will be corrected to: (1) "Severe disabling mental illness" means with respect to a person who is 18 or more years of age that the person meets the requirements of (1), (a), or (b), or (c) with the next rule filing.
