Updated Supernumerary Teeth Claims Processing

Effective February 22, 2024, the Medicaid claims processing system can receive and process claims containing supernumerary teeth. With this update, providers can submit supernumerary service claims for normal processing.

For claims processing, Montana Medicaid recognizes the American Dental Association Universal/National Tooth Designation System.

- 1 – 32 for permanent dentition
- 51 – 82 for supernumerary permanent dentition
- A – T for primary dentition
- AS – TS for supernumerary primary dentition

All claims requesting special processing for supernumerary teeth faxed or sent to the Dental Program Officer after February 22, 2024, will be submitted by the Department to Claims Processing for normal processing.
