

## **Family Planning Fee Schedule Information**

Payment of Family Planning services is based on the fee schedule for the provider type performing the service and the plan of benefit for the member.

If the member has Full Medicaid or Basic Medicaid, please review the fee schedule for the provider type providing the service to determine whether the service is covered.

If the member has Plan First coverage, please review the Covered Code List, published in the [July 1, 2015, provider notice](#) to determine whether Plan First covers the service.

Plan First is subject to all Montana Medicaid fees and policies.
