

FY 2019 Non-Medicaid 72 Hour Presumptive Eligibility Program
for Crisis Stabilization & Crisis Intervention and Response
Individuals 18 years of age and older
Fee Schedule Effective July 1, 2018

I. Practitioner Services – Evaluation & Management

Mental health practitioners include physicians, mid-level practitioners, psychologists, social workers, and professional counselors. Practitioners' bill using standard CPT procedure codes and are reimbursed according to the Department's RBRVS system. [Please refer to https://medicaidprovider.mt.gov/](https://medicaidprovider.mt.gov/).

II. Care Coordination, Community-based Psychiatric Rehabilitation, and Crisis Management Services

Crisis intervention services are paid on an all-inclusive bundled hourly rate to enrolled hospitals and enrolled licensed mental health center facilities. **Individuals in receipt of Medicaid are not eligible.**

Crisis Management Inpatient Hospital Day Three	S9484 Revenue Code 900	U3	1 hour	\$8.75	24

III. Crisis Intervention and Response (CIR)

A crisis intervention & response team member is a licensed mental health practitioner who is an employee of a licensed mental health center. The licensed practitioner provides emergency services in a hospital emergency room setting or a

detention center. Individuals who are serving sentences in a detention center are not eligible for a service under the 72 hour Presumptive Eligibility Program. These individuals are considered inmates.

Services are billed using standard CPT procedure codes and are reimbursed according to the Department's RBRVS system. [Please refer to http://medicaidprovider.mt.gov/](http://medicaidprovider.mt.gov/). The licensed practitioner will submit request for reimbursement within 45 days of providing the service.
