

Medicaid Behavioral Health Targeted Case Management Fee Schedule

August 2, 2018

Due to a temporary court order the Montana Medicaid rates, for dates of service **starting 08/02/2018 will be** equivalent to the rates effective prior to January 1, 2018. Please note that these funds are paid in accordance with an interim court order and may not reflect the final authorized rates. All funds paid to you in excess of the final approved rates are subject to recovery in accordance with your provider enrollment agreement.

I. Targeted Case Management Services Rates for Behavioral Health.

The following table summarizes Behavioral Health Targeted Case Management (TCM) Services available through the Medicaid program. TCM services listed in this fee schedule must be provided by a licensed mental health center or a state-approved substance use disorder program with the appropriate licensure or endorsement to be reimbursed for services. TCM services referenced on this fee schedule are managed through retrospective review.

Note: Leave modifier blank on the claim where “No Modifier” is indicated.
