III. Crisis Intervention and Response (CIR)

A crisis intervention & response team member is a licensed mental health practitioner who is an employee of a licensed mental health center. The licensed practitioner provides emergency services in a hospital emergency room setting or a

detention center. Individuals who are serving sentences in a detention center are not eligible for a service under the 72 hour Presumptive Eligibility Program. These individuals are considered inmates.

Services are billed using standard CPT procedure codes and are reimbursed according to the Department's RBRVS system. Please refer to <http://medicaidprovider.mt.gov/>. The licensed practitioner will submit request for reimbursement within 45 days of providing the service.
