III. Crisis Intervention and Response

A crisis intervention & response team member is a licensed mental health practitioner who is an employee of a licensed mental health center. The licensed practitioner provides emergency services in a hospital emergency room setting or a detention center. Individuals who are serving sentences in a detention center are not eligible for a service under the 72 Hour Presumptive Eligibility Program. These individuals are considered inmates.

Services are billed using standard CPT procedure codes and are reimbursed according to the Department's RBRVS system. [Please refer to https://medicaidprovider.mt.gov/](https://medicaidprovider.mt.gov/). The licensed practitioner will submit request for reimbursement within 45 days of providing the service.
