Montana Health Care Programs Notice Home- and Community-Based Services

Effective September 1, 2011

Elderly and Physically Disabled Waiver

The one-time funding that was allocated in the 2009 Legislative session for the FY2010 provider rate increase was not sustained in the Home- and Community-Based Services budgets. Thus, the provider rates will be decreased by 2%. The rates will be effective September 1, 2011.

The current fee schedule is posted on the Provider Information website under Resources by Provider Type, Home- and Community-Based Services, Fee Schedules, Current Elderly and Physically Disabled Waiver Fee Schedule.

Rates listed are maximum rates paid. All rates may be negotiated by case management teams who authorize services. Providers must bill Medicaid the negotiated rate agreed upon with the case management team or with the Department. Contact the case management team authorizing services to verify your rate.
