Montana Health Care Programs Notice Physician, Mid-Level Practitioner, FQHC, RHC, and Indian Health Services (IHS)

Renew Passport Provider Agreement

Passport to Health provider agreements expire June 30, 2011. Renewal agreements have been mailed to all Passport providers.

New agreements must be completed and returned by May 10, 2011, for current providers to remain Passport providers and continue to receive case management payments. **This agreement affects only Passport and Team Care services, and does not affect Montana Medicaid provider enrollments.**

Medicaid anticipates several hundred agreements will be processed and appreciates receiving completed agreements as soon as possible to avoid disruption in services to clients. **Delay in completing and returning this agreement could result in clients being reassigned to other providers and practices losing case management fees.**

Agreements can be downloaded from the [Provider Information website](#). Completed agreements can be mailed or faxed to:
