

MONTANA HEALTHCARE PROGRAMS NOTICE

July 3, 2017

Physicians, Mid-Levels, Outpatient Hospitals, FQHC and RHC
and Clinical Pharmacist Practitioner Providers

Effective July 1, 2017

Clinical Pharmacist Practitioner

Effective July 1, 2017, Montana Healthcare Programs covers Collaborative Practice Drug Therapy Management provided by a Clinical Pharmacist Practitioner (CPP). The legal basis for the Collaborative Practice Drug Therapy Management Program can be found in ARM 37.86.901; 37.86.902; and 37.86.905. Until the listed rules are published to the [Administrative Rules of the State of Montana Website \(http://www.mtrules.org\)](http://www.mtrules.org); details can be found under Montana Administrative Register notice 37-792.

Requirements

- The CPP must be a pharmacist that meets the requirements as outlined in ARM 24.174.526.
- The CPP must have a collaborative practice agreement with a medical practitioner, as provided in ARM 24.174.524.
- CPPs must manage a member's drug therapy by providing face-to-face, direct care.
 - Members who have at least one chronic condition needing at least one maintenance medication are eligible for collaborative practice drug therapy management.
- The CPP must provide care through employment or contract within a physical practice of a medical practitioner or facility.

Enrollment

- The Clinical Pharmacist Practitioner must enroll with Montana Healthcare Programs.
- Enrollment will be completed utilizing the full provider enrollment application as a rendering only provider.
- This process is required regardless of practice. For example, CPPs employed through an FQHC or IHS facility must enroll prior to providing services.
- For FQHC/RHC providers that employ a CPP must submit a change in scope of service and a copy of the providers Health Resources and Services Administration (HRSA) Award Notice, form 5a- service details to the department prior to the revenue code being turned on for reimbursement. If your facility type is a, Urban Indian FQHC and RHC, which does not file a change in scope of service with HRSA, please notify the department is writing to submit a change in scope of service.
- [Additional enrollment information can be found within the Montana Healthcare Programs Provider Webpage \(http://medicaidprovider.mt.gov/providerenrollment\).](http://medicaidprovider.mt.gov/providerenrollment)
