November 9, 2018

## Pharmacy Providers

### Effective Immediately

## Pharmacy Provider License Renewal Reminder

This Provider Notice is to remind enrolled Montana Healthcare Programs Pharmacy Providers to complete the annual [Montana Board of Pharmacy](#) license renewal for all enrolled pharmacies. All licenses must be renewed on or before the renewal date of November 30, 2018. If your pharmacy license is not renewed, your enrollment may be terminated and you may not be able to submit claims for payment. An active pharmacy license is required to participate in the Montana Healthcare Programs Pharmacy Program.

If you are licensed in other states, please complete the renewal process for each state that your pharmacy is currently licensed.

**Please Note:** Out-of-state providers should have or will be receiving a notification letter when their license will expire with Montana Healthcare Programs. In-state providers do not need to take action, other than ensuring your license is renewed with the board.
