Effective March 1, 2018

Substance Use Disorder Billing

Effective March 1, 2018, Indian Health Service or Tribal 638 providers who bill Montana Medicaid for substance use disorder services will need to submit claims with the following CPT codes instead of the HCPCS "H" codes that were previously submitted.

The following CPT codes have been added for providers to use when billing for substance use disorder services in conjunction with the 944 Revenue Code:

90791 will replace H0001 - Assessment/Evaluation
90837 will replace H0004 - Individual Therapy (1 hour)
90853 will replace H2035 - Group Therapy (session)

Contact Information
