

MONTANA HEALTHCARE PROGRAMS NOTICE

June 27, 2019

All Provider Types

Cognitive Care Reimbursement

Montana Healthcare Programs allows Comprehensive Primary Care Plus (CPC+) and Patient Centered Medical Home (PCMH) practices to bill for cognitive care codes, outlined below, for attributed members. Cognitive care codes include Transitional Care Management, Behavioral Health, and Chronic Care Management services.

Practices not participating in CPC+ or PCMH may bill for all cognitive care codes listed below.

Codes	Description	Billable by CPC+ or PCMH Providers	Billable by non-CPC+ or PCMH Providers
99487, 99489	Chronic Care Management	No	Yes
G0506	Assessment/care planning for patients requiring CCM services	No	Yes
G0507	Care management services for behavioral health conditions	No	Yes
99358, 99359	Prolonged non-face-to-face evaluation and management services	No	Yes
G0502, G0503, G0504	Collaborative Care Model	Yes	Yes
G0505	Cognition and functional assessment for patient with cognitive impairment	Yes	Yes
