Questions

Is the member:

- Newly enrolled
- Discontinuing services with your facility

If the member is a newly enrolled member/patient, please answer the 3 questions below. If the member/patient is discontinuing services, please **do not** answer the 3 questions below.

1. Has the Montana Prescription Drug Registry (MPDR) been reviewed?
 Yes No
2. Has the member been educated on their outpatient prescription opioid, tramadol, and/or carisoprodol restrictions?
 Yes No
3. Which medication is the member receiving?
 Methadone
 Buprenorphine-containing product

Important Note: Concurrent opioids, tramadol, or carisoprodol are not covered for members in MAT. If a patient subsequently discontinues MAT, all opioids, tramadol formulations, and carisoprodol will remain on not-covered status. These medications will require prior authorization for any future prescriptions. Approval may be granted short-term for an acute injury, hospitalization, or other appropriate diagnosis *only* after the case is reviewed with the treating provider and the provider prescribing the buprenorphine-containing product.
