

Montana Access to Health Web Portal Link Request

For multiple providers to appear on your drop-down list in the Montana Access to Health web portal, you must submit a Link Request.

Each National Provider Identifier (NPI) , Atypical Provider Identifier (API) or Passport Provider (PP) number used as the billing or pay-to provider will have an electronic statement of remittance (e!SOR) generated; therefore, it is important to have the NPI/API linked to the submitter/trading partner number for retrieval. You may verify your submitter number by selecting “My Profile” in the MATH web portal.

Complete the information below. **Complete a separate form for each NPI/API/PP you want linked.** The form must be signed by the provider or an authorized representative. Mail or fax to Provider Relations, P.O. Box 8000, Helena, MT 59604, (406) 442.4402.

Allow up to 10 days for Provider Relations to process the request.
