

* Optometry Billing

Medicaid and Healthy Montana Kids

❖ Billable services for Montana Medicaid Include:

- ❖ Optical Exam
- ❖ All Inclusive fitting fee
(frames, lenses, fitting
and dispensing)

***Revenue Codes:**
519 Optical Exam
509 All inclusive
fitting fee

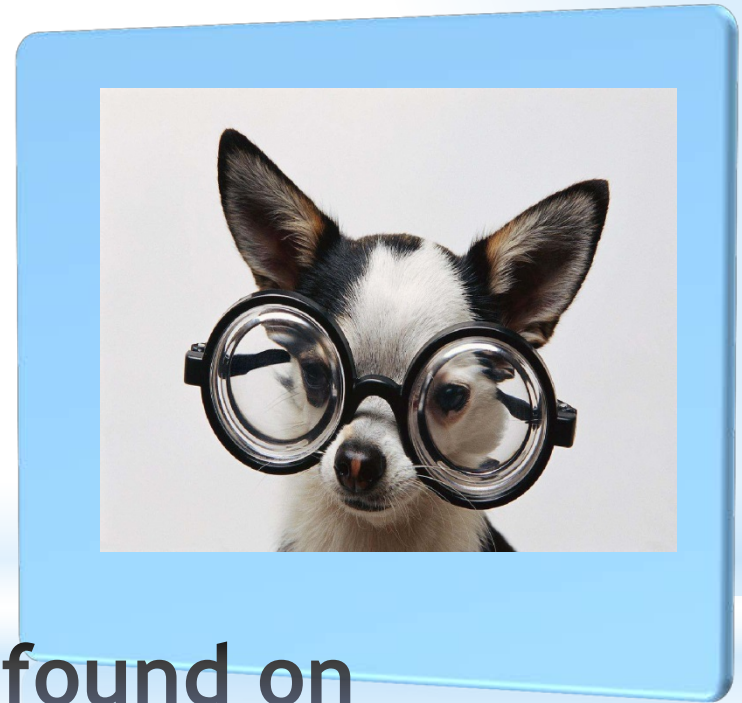

* Important information:

* Medicaid members cannot be billed for frames

* They do not have to choose a Medicaid specific frame

* Members can only be billed for extras that are not medically necessary e.g. scratch coating, anti-reflective.

*Healthy Montana Kids

- ❖ For children that are enrolled in HMK there are different requirements.
- ❖ HMK will pay 80% of allowable costs for the eye exams.
 - ❖ AI/AN children who are on HMK are also exempt from cost share.
- ❖ Facility optometrist/ophthamologist must be enrolled as an HMK provider through BLUE CROSS BLUE SHIELD.
 - ❖ The facility and the optometrist must enroll with XEROX as hardware providers.
- ❖ Dispensing fee is paid regardless of whether or not it is a full set of eyewear or lenses only.

- * HMK will only pay for frames supplied through the State contract with is currently with Walman Optical.
- * Walman's will make lenses for other frames as lenses only. (Non-Walman frames do not have a warranty through HMK)
- * HMK will pay for medically necessary add-ons with prior approval
