<u>INSTRUCTIONS</u>

This request must be referred to the Senior and Long Term Care Division, Nursing Facility Services Bureau, P.O. Box 4210, Helena, Montana 59604-4210, for review and prior authorization. The original, with authorization signature or denial, will be returned for your records. A copy will be retained by the Senior and Long Term Care Division, Department of Public Health and Human Services. Prior authorization can be obtained by calling the Department or by sending the SLTC-042 before the date of departure. Request <u>must</u> be submitted to the Department within 90 days after the first day of the requested bed hold period.

"Total Days Used Year To Date" refers to the State Fiscal Year (July 1 - June 30).

Enter the date the resident leaves in the 'From' column and the date the resident returns in the 'To' column. To compute the number Therapeutic Home Visit days used on this visit, <u>do</u> count the day the resident leaves – <u>do not</u> count the day of return. Example: if resident leaves Friday and returns Tuesday, the days absent are counted as four (Friday, Saturday and Sunday, Monday). Add the days of the current visit, to days used previously in the fiscal year (July 1 to June 30), for Total Days Used Year to Date. For billing instructions please refer to the Nursing Facility Services Manual.
