Effective July 1, 2019

NDC Required on All Radiopharmaceuticals

Effective July 1, 2019, Montana Healthcare Programs will require a rebateable NDC to be submitted on claim lines for radiopharmaceuticals. Montana Healthcare Programs require rebateable NDCs to be submitted on any claim line for a covered outpatient drug. More information regarding the covered outpatient drug status of radiopharmaceuticals can be found in the [Federal Register](#).

If you need guidance for billing NDCs, please see NDC Requirements under the *Billing Procedures* section of the [General Information for Providers Manual](#).
