

MONTANA HEALTHCARE PROGRAMS NOTICE

March 16, 2022

All Providers

Announcement

REVISED

Revalidation Extended to June 2022

On December 13, 2021, Montana Healthcare Programs began sending revalidation notices to providers who are due for provider revalidation.

The letters specify a due date. Montana Healthcare Programs is extending the required revalidation date to June 2022 or later for any provider who has received a revalidation notice.

This extension is primarily due to a known system issue that is creating challenges for some providers when trying to revalidate. Providers should not attempt to revalidate their provider information at this time. Notices will be posted when the online Revalidation feature is working properly.

Thank you for your continued participation in Montana Healthcare Programs!
