

Montana Healthcare Programs Provider Notice

July 17, 2024

Occupational, Physical, and Speech Therapy Providers

Concurrent Therapy Services Not Covered

Concurrent therapy can be defined as a provider treating two patients, who are performing different activities, at the same time. Montana Medicaid does not cover concurrent therapy services.

According to the American Speech Language Hearing Association, there are no published studies on the relative effectiveness of concurrent therapy over individual or group therapy in any area within the Speech-Language Pathology Scope of Practice.
