**Informational**

### **FQHC, Hospital Outpatient, IHS, RHC, Tribal 638, and Urban Indian Organization (UIO) Providers**

### **Billing for Services Rendered at a School**

To ensure accurate claims tracking and billing to capture the utilization of services provided in schools, Montana Medicaid is requesting that claims for services rendered in a school be billed with modifier TR.

Providers who have enrolled school sites with Montana Healthcare Programs are not required to use the modifier; however, if they do, it will not affect claims processing or payment because the modifier is for informational purposes only.
