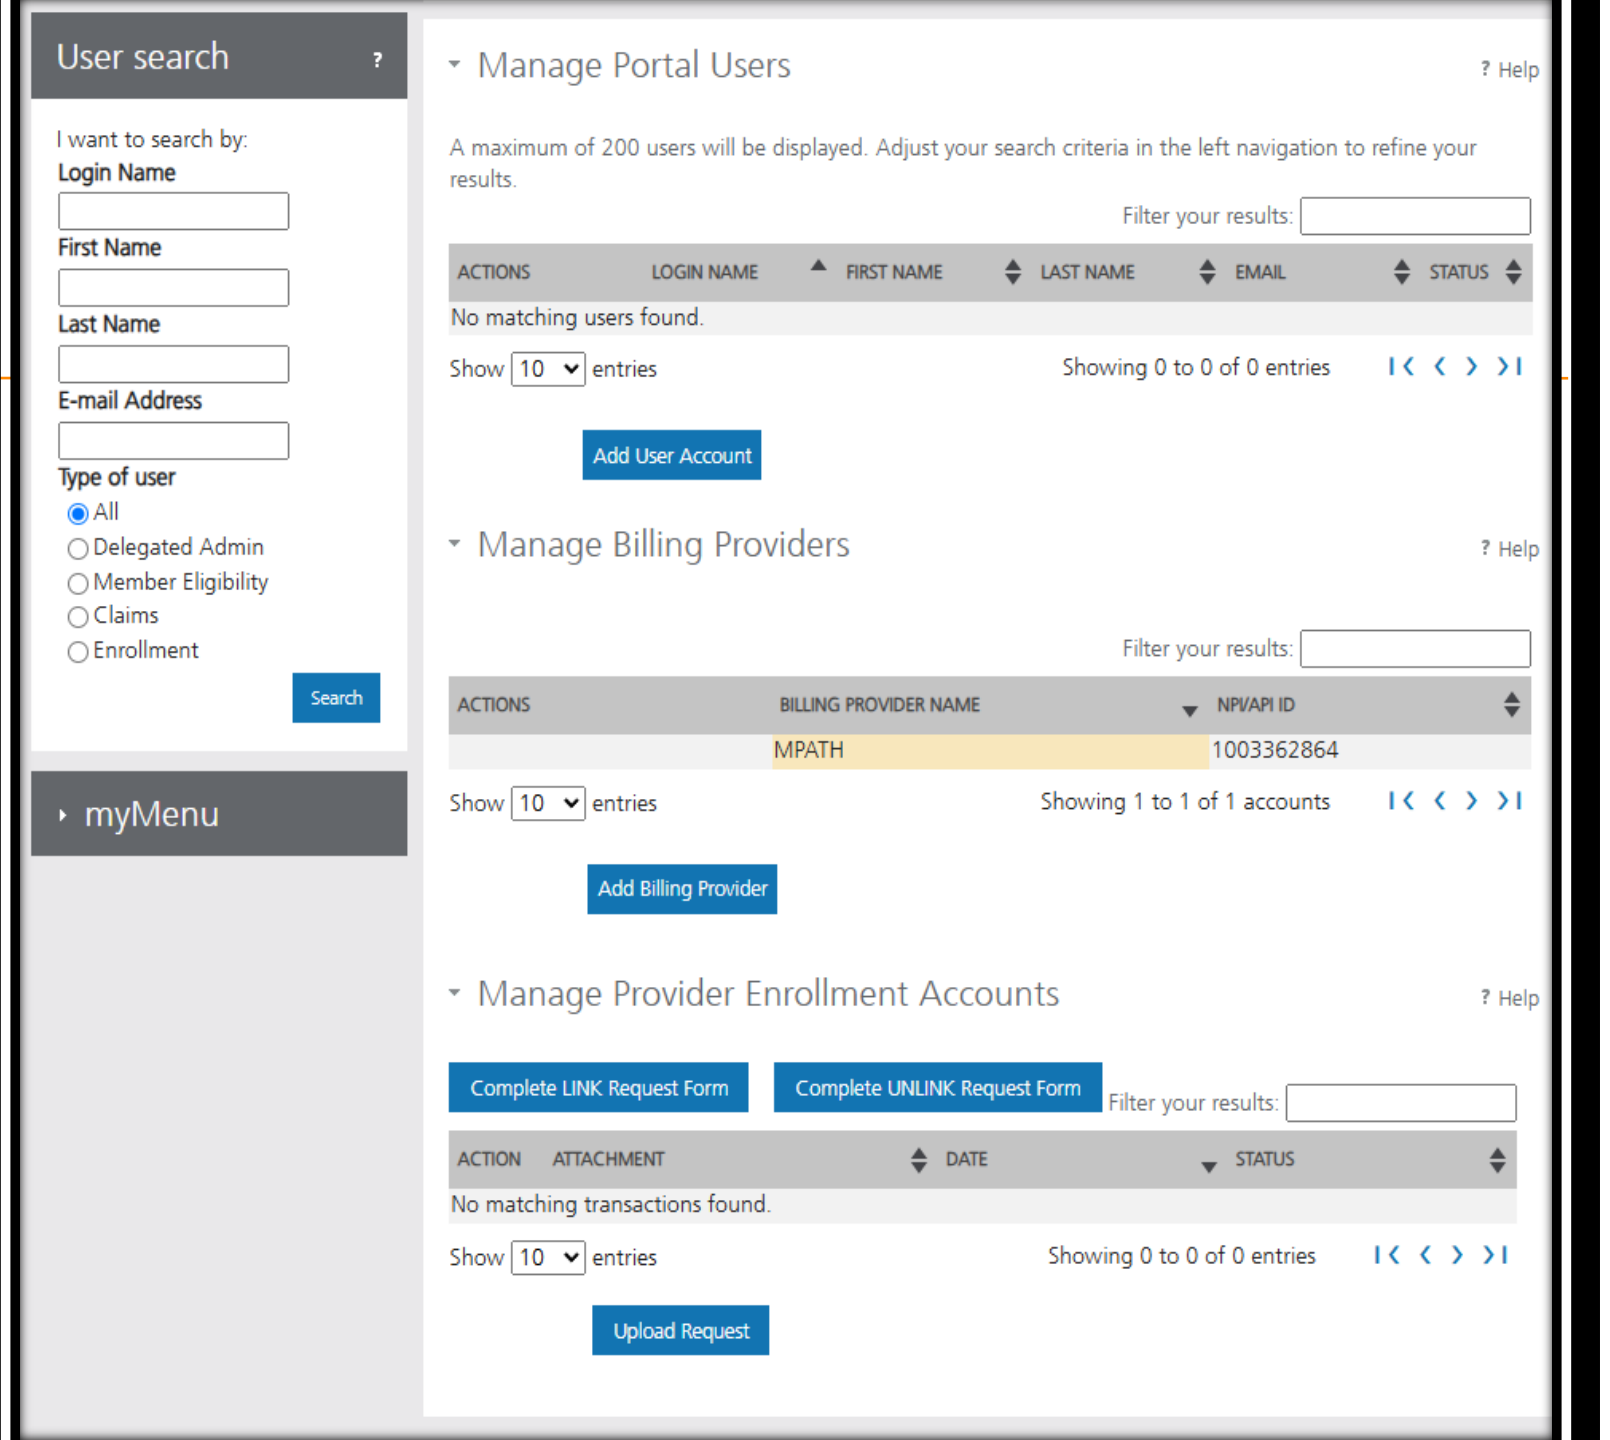
Account Administration

All 3 Account Administration functions are located on one screen.

- Manage Portal Users
- Manage Billing Providers
- Manage Provider Enrollment Accounts



Account Admin functions

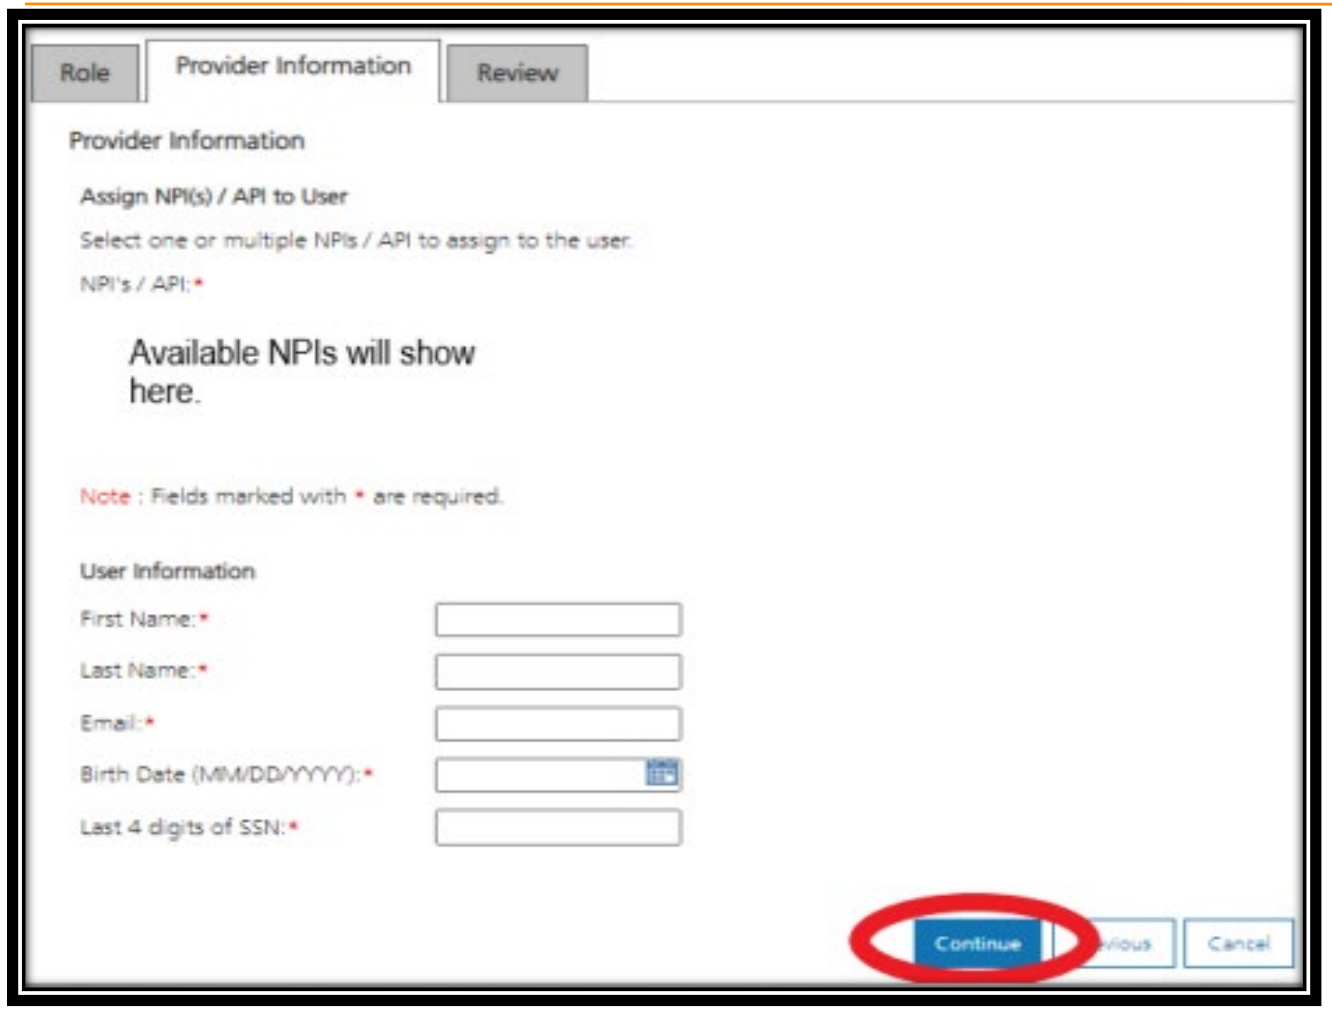
The ***Account Administration tab***, under **myMenu**, is used to add additional portal users & NPIs to your MPATH access.

Manage Portal Users the system is designed for **1 Primary/Super User to register the Facility NPI**, when creating their GovID. This person will submit requests for additional Users with Role of **Delgated Admin., Claims, and Enrollment**

Manage Billing Providers allows you to bill for (in the MPATH Claims Solutions) and/or **see remits** for the linked NPIs. If you use a Clearing House to submit claims and reconcile 835s/remits; this step is not necessary. MPATH PID required to add NPI.

Manage Enrollment Providers allows you to maintain the NPIs and **complete file updates on your workbench**. Link request required.

Add Portal User (Manage Portal User)



Complete all fields with the new user's information.

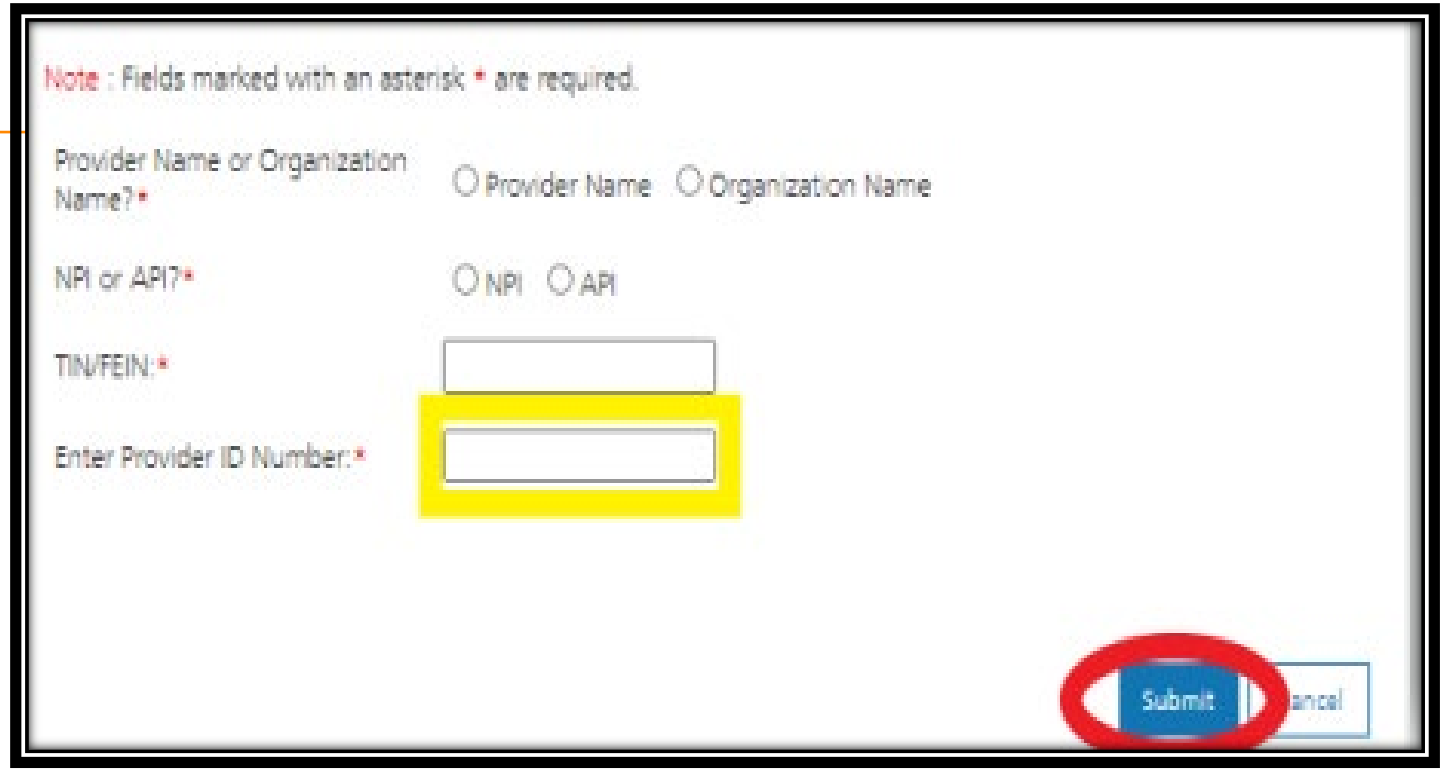
If you need to send another email to the user, click on the envelope icon in front of their name.

Manage Billing Providers

Add Billing NPIs to this section ONLY if,

- You will be submitting claims through MPATH.
- You need access to the weekly Remittances for this NPI.

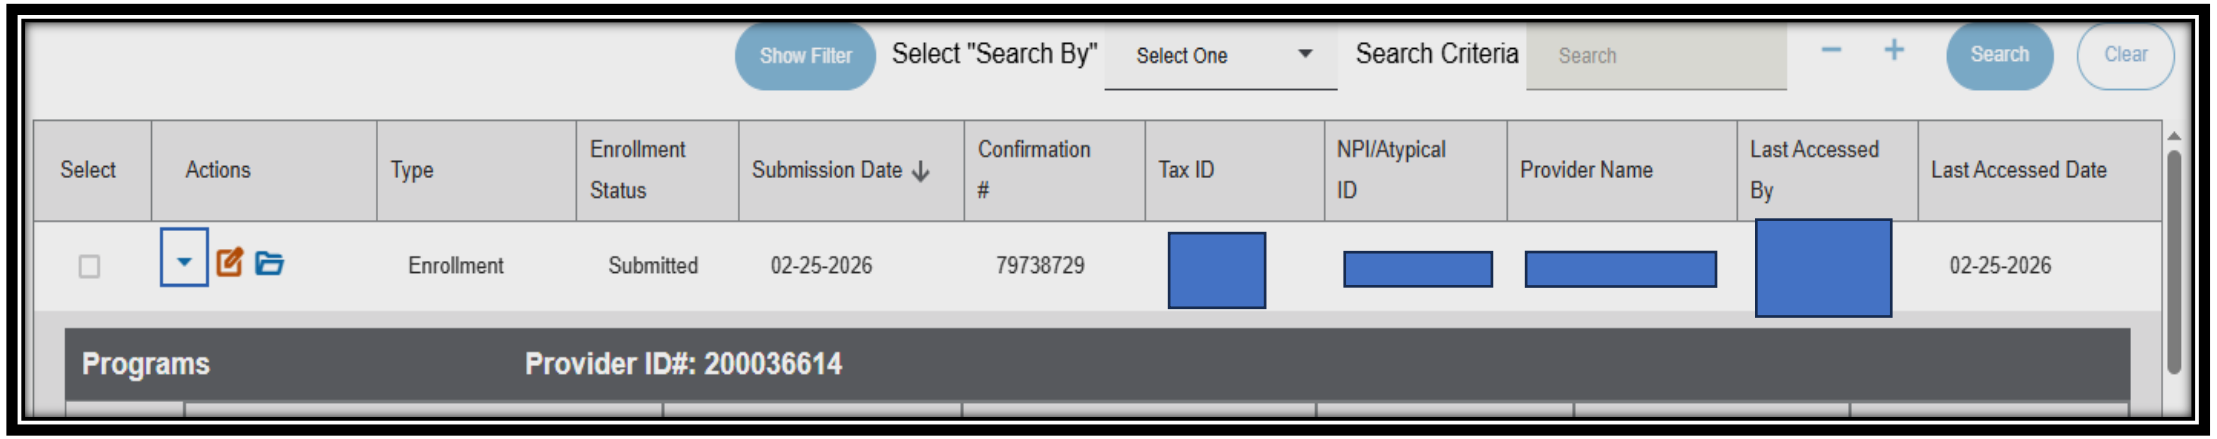
This is the MPATH assigned Provider ID number*. Not the PID from MT Medicaid.*



Manage Billing Providers Cont.

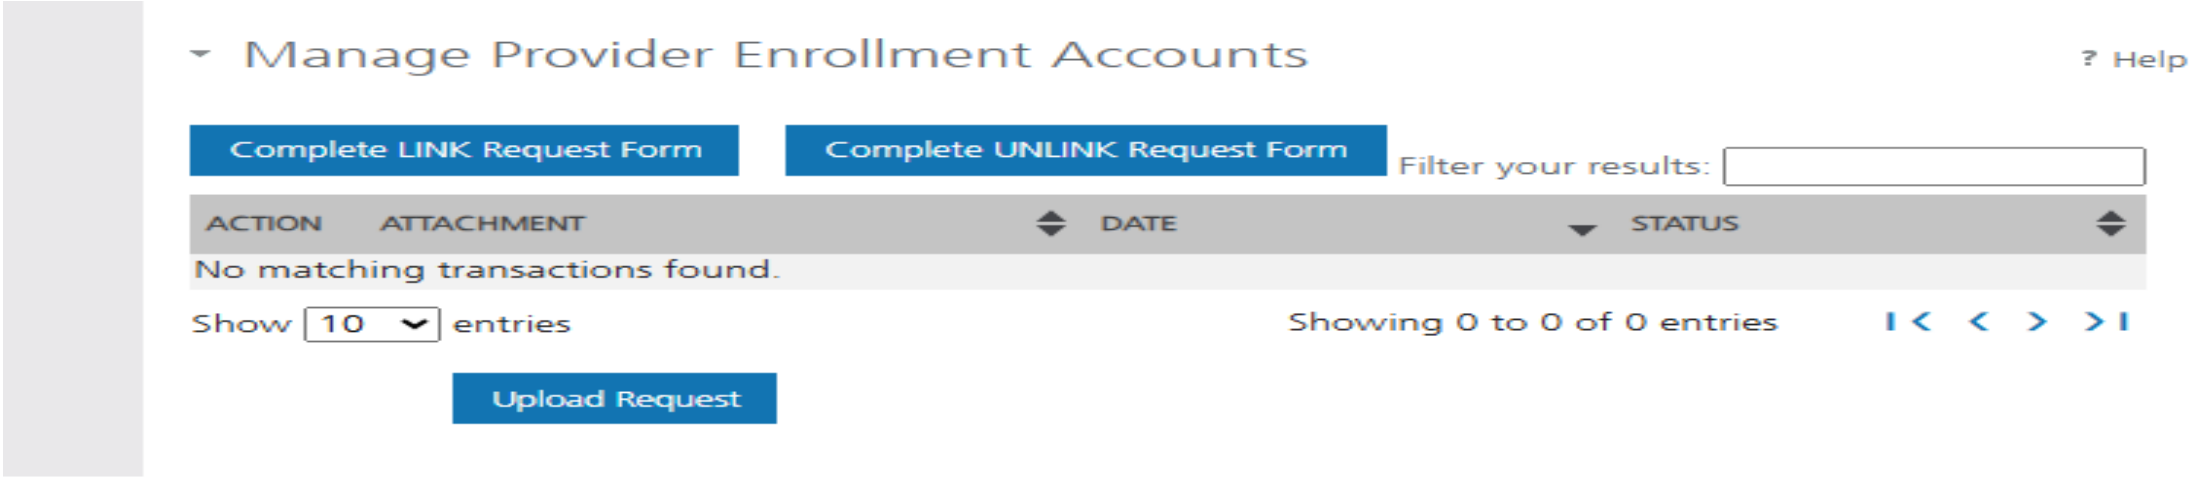
To find Provider ID

- Go to Provider Enrollment Workbench
- Click on blue arrow
- Provider ID# will show in gray box



Manage Enrollment Providers

- This will be the most important function for facilities, credentialers & billing agents who oversee multiple facility NPIs and/or multiple providers.
- The only way you can view additional NPIs on your workbench is through this function.
- Updates and Revalidations cannot be completed until NPIs are linked here.



Manage Provider Enrollment Accounts (Link request form)

Link request forms are processed by Optum.

Complete all fields of the form. Sign or eSign.

Upload form and additional spread sheet if applicable.

TIP: The Authorizing NPI is the primary NPI that the Authorized Official registered with.

MPATH Provider Services Module
Enrollment Link Request

The MPATH Provider Services Module uses a unique Organization ID to allow linkage of provider enrollment records for viewing and management. To have your enrollment account linked to a specific Organization ID, you must submit an Enrollment Account Link Request.

Each National Provider Identifier (NPI) or Atypical Provider Identifier (API) used in enrollment into Montana Healthcare Programs may create their own user account for enrolling or completing maintenance updates to their provider enrollment information. Upon creation of a user account, an Organization ID is assigned. If a provider wants to link their user account to another organization ID or add a provider to their organization ID, it is required to have your organization IDs linked.

Complete the information below. Please allow up to 10 days for Provider Relations to process the request.
